

Jersey Insight Recruitment package

About JI

Main features include:

- Online Directory & Business Search
- News
- Weather
- Classified Sales
- Jobs
- Photocreator
- Travel Information
- TV Listings

Popular community website that has over 5.5 million page views and 60,000 unique visitors per month.

JI offers you a unique opportunity to ensure your jobs are out there on the internet as soon as they become available and instantly removed once they are filled.

You can reach potential job seekers with uniquely interactive up to date job vacancies and include as much information as you like giving your jobs the best chance in a highly competitive marketplace.

Cost

£200.00 per month

Additional information

You have the option to upload jobs one at a time or bulk upload a CSV file.

You can have as few or as many adverts as you desire on JI at any one time.

You will be billed on a monthly basis through your Jersey Telecom account.

GST will be added at point of billing.
